IN COOPERATION WITH **CAL
FIRE**

2019 ANNUAL REPORT

MESSAGE FROM THE FIRE CHIEF

Our Annual Response Report is created in-house each year and highlights our dedication and growth year after year. Riverside County Fire Department, in cooperation with CAL FIRE, is committed to cooperative, regional and integrated fire protection and emergency services. We are dedicated to the highest level of care and professionalism in each of our 170,103 responses in 2019.

We are an all-risk department devoted to protecting and serving our residents and visitors. I am immensely proud of our first responders and support personnel. It takes a strong team to face challenges and garner successes. A key component to our achievement is our strong relationships with the Riverside County Board of Supervisors, our partnering cities, community service district and dispatch contracts.

Our potential is unlimited. I am proud to present this report for your review. I commend our first responders and those behind the scenes who all continue to lend their talent and commitment to excellence.
