

Cooking Safety Starts with YOU!

Can you spot all the hazards in the kitchen?

Color the picture and circle all the hazards you see in the kitchen.

 Stay out of the 3 foot "kid-free zone".

 Have permission from a grown up to use the microwave.

 Stay away from things that get hot.

 Remind grown-ups to keep the stovetop clean and clear of anything that can catch on fire.

Hazards: Timer not in use - burning turkey in oven - clutter by stove - dirty stove - kids in "kid-free zone" - pan handle sticking out - hot soup in microwave
