

Design Your Home Fire Escape Plan

Sketch the floor plan of your home. Indicate all doors, windows & other areas from which you could escape from each room in your home. Draw arrows to indicate the normal exits which would be your primary escape route. With an alternate color, draw arrows to indicate a secondary exit from each room.

Riverside County Fire Education Program is part of California Climate Investments, a statewide program that puts billions of Cap-and-Trade dollars to work reducing greenhouse gas emissions, strengthening the economy, and improving public health and the environment - particularly in disadvantaged communities.
